## CLEVELAND ETHNIC HERITAGE SEASONING COLLECTION

Cleveland is proud of its rich and diverse mix of ethnic groups. This mix is a major factor contributing to Cleveland's character and array of neighborhoods, customs and various ethnic foods. The following is a sample of the major groups that contributed to what Cleveland is today.

**A TASTE OF LITTLE ITALY** – This seasoning packet is very versatile. Use it as you would any other Italian Seasoning. It can quickly transform tomato sauce into something more savory.

**SLAVIC VILLAGE SEASONING** - This seasoning offers depth and flavor to quick cooked meals. It is an ideal seasoning for pork chops and roasts, as well as on chicken.

**ASIATOWN SEASONING** – This seasoning is ideal for stir fry preparation and steamed vegetables and rice. It is also tasty sprinkled on broiled fish, especially salmon.

**IRISH INSPIRATION** – This seasoning is an “all purpose” seasoning, especially well suited for potatoes and corn. It also enhances the flavors of chicken, fish and vegetables. It is the perfect seasoning for Irish Stew!

**GERMAN HERITAGE SEASONING** – This seasoning is wonderful with pork, veal and turkey. It makes a wonderful marinade for pork chops or pork roast when mixed with ¼ cup olive oil and ¼ cup white wine (or lemon juice).

**BOHEMIAN FOREST RUB** – This seasoning is ideal for various types of poultry and pork. It is meant as a rub, although it can be used with olive oil and wine to make a marinade.

**HUNGARIAN HERITAGE SEASONING** – This seasoning blend is ideal for goulash and other Central European dishes.

**GEORGE PEAKE SEASONING BLEND** – This seasoning is an ideal rub for chicken and ribs. It can also be used as a seasoning base for a barbeque sauce.

**UKRAINIAN SETTLEMENT SEASONING** – This seasoning is good choice for any preparation of chicken (including soup), just about all vegetables, eggs French fries, and even popcorn.

**SLOVENIAN HERB RUB** – This seasoning is an ideal rub for pork (all cuts) and lamb. It can also be added to soups, and used to make traditional stuffing for pork chops and rolled pork roasts.

The above seasonings are available as:
