
A Memorable Toast

We offer our customers a very unique product that will quickly turn an ordinary toast into an extraordinary memory!

Our Wild Hibiscus from Australia creates quite the sensory experience! The look is incredible, whether in a glass of Champagne, Asti, Cava, Sekt, or even Ginger Ale! The sweet smell is fruit-like. And the taste—a cross between rhubarb and a red raspberry. The bubbles emerge from the base of the flower, and travel up the petals, then “escape” to float to the top—elegant, yet a little sensual! Perfect for:

- A Bridal Shower
- The Rehearsal Dinner
- The Reception
- Any event or occasion you want to remember!
